V. Continuing Business  
Matt Stewart, Chuck Brade, Steve Brock and Jim Frazel had a meeting with some of the administration from Oak Hill High School over the schools sewage situation. Oak Hill administration took their proposal under advisement, they have to run their own business plan to see what their best option is going to be. Chuck thought for long term planning hooking up with Sweetser might be the best option for them.

Steve Brock filed the town's TIF Neutralization report to the Grant County Auditor.

The town clerk provide the total amount of outstanding sewage and trash liens that town has. There was discussion on how many times a year the town might file liens and release liens since the lien fees has increased to \$50.00 per lien. The town is looking into other policies and procedures in collecting sewage and trash payments on a timely basis.

Matt Stewart said funding is still an issue with the Habitat for Humanity house being built in Sweetser.

Rich Gamble Inquired about our nuisance abatement ordinance.
