

Sweetser economic redevelopment  
commission.  
1/23/14

Call to order @ 6:00 pm  
All in attendance

Chuck explained to Chuck D. The  
arrangements of the board and we all will  
retaine the current positions.

Reviewed the TIF district. Money brought  
in from the TIF would have to go back  
into the TIF district.

Reviewed the benefits of having city  
water verses the current well water.  
Having city water is a need any  
development would have to have to  
consider look at our town.

Jerry suggested that we might consider a  
"Brand". Update our logo and get it out  
into the public to see. This would give  
our town a fresh face.

Steve Brock discussed the details between  
TIF and residential tax abatement.
