

Sweetser Storm Water Board

Meeting Minutes

January 10, 2013

Sweetser Storm Water Board meeting was called to order at 6:00 pm.

Members present: Rich, Carl and Chuck

The Storm Water Board continued to dissect the Town of Swayzee's Storm Water Board Ordinance.

All board members agreed that charging \$2 per month per household would be sufficient to start generating revenue for a storm water account. — *NOT READY TO SENT TO FULL COUNCIL AT THIS TIME.*

A representative from Mega Systems was in attendance for our meeting. He described new software they were creating that would be more users friendly. The software would cost approximately \$14K to \$15K for Mega System to generate for the Town of Sweetser. He recommended that if we were seriously considering adding a new account at a cost of \$4500, it might be more feasible to have that money go into the new software that would also include this new account.

Meeting was adjourned at 6:55pm
