

# Sweetser Economic Redevelopment Commission

## Meeting Minutes

August 28, 2014

Board members present included Chuck B., Chuck D., Richard G., and Travis L. Absent was Steve K.

Approval of minutes from 7-24-14.

Discussion on setting the date of a public hearing for Resolution No. 2014-1 declaring an Economic Development Area within the Town of Sweetser. A date of 9-25-14 at 6pm was set for the public hearing.

Discussion of tax sale properties where held. Rich Gamble asked when, if no one pursued the sale of those properties, would the town be able to act and demo any of the blighted properties? Travis explained they would then go to the commissioners sale before the town would possible be able to get their hands on them. This process could take up to a year.

Chuck Briede brought up the town brochure again and wanted to get ideas of data we could put on it. Basically wanted to know what the town has to offer if we have companies come in looking to build. Travis suggested that we call Tim Eckerly to get some stats of the town.

Meeting was adjourned at 6:40
