

## Sweetser Stormwater Board

### Meeting Minutes

June 13, 2013

Present where Rich, Carl and Chuck.

Meeting Minutes for May 9, 2013 where reviewed and approved.

Earl Owsley from 211 N. Greenberry was in attendance and stated that he had some exceptional flooding around his property and under his house. He also stated that he had a storm water tile that ran under his house and he believed that it may have collapsed which would account for the water in his crawl space. Earl explained that some time ago when he was building he discovered the tile and asked a town board member at the time about moving it. The board member told him that it couldn't be moved.

Heavy rains the night before accounted for some flooding this morning. It was suggested the Devin try to jet out the line along Hubert Street between Main and Greenberry.

Meeting was adjourned at 6:50pm
